Sir:

The attached PTO -1449 lists significant references referred to in the specification of the subject application. This statement is intended to serve as a representation that the listed references include, in the opinion of the above-named applicant and the undersigned, the closest art of which they are aware.

This statement is not to be construed as a representation that a search has been made or that no better art exists. The art listed herein, while of some relevance, is not to be considered to teach or suggest the invention described and claimed in the aforementioned application.

It is respectfully requested that the references listed herein be considered during prosecution of this application and made of record therein, appearing among the "References Cited" on any patent to issue therefrom.

Respectfully submitted,

Date: January 12, 1999
